CLARIFICATION OF BORROWING RULES (2025 TRIAL - SECTIONS 3 & 4)

As a trial for the 2025 Regional Championships, **bands competing in Sections 3 & 4 only** are allowed to borrow up to two players, regardless of reason. The borrowed player/players must be registered with an accredited Registry (BBP/Scottish Registry) and can be registered with a band in any region of Great Britain. The borrowed player/players must be from another band in the same section or section below the borrowing band.

i.e. Section 3 bands can borrow from bands nationally-graded Section 3 or Section 4. Section 4 bands can borrow from bands nationally-graded Section 4 only.

For clarification, **the following new rule (8d) only relates to players registered in Sections 3 & 4**, and has been created only to facilitate the new trial borrowing rule:

d) A player may play with a maximum of THREE (3) bands in the 2025 Regional Championships series. The only exception is for the application of the provisions of Rule 15.

These three performances should be with the band that the player is registered with, plus up to two "borrowing" bands. Alternatively, the player can perform with up to three "borrowing" bands if the player's current band isn't competing in 2025.

The borrowing rules for bands registered in Championship Section, Section 1 and Section 2 remain unchanged i.e. they are unable to borrow any players for the 2025 Regional Championships (the only exception is for the application of the provisions of Rule 15). Players registered for bands in Championship Section, Section 1 or Section 2 will also only be allowed to perform with the band they are registered with, and can only perform once in the 2025 Regional Championship series (the only exception is for the application of the provisions of Rule 15).

ON CONTEST DAY

Borrowed players must present their active registration card to the registration desk officials before taking to the stage.

DISCIPLINARY ACTION

If the band is found to be in contravention of the National Rules, then the band may be subject to disqualification from the contest. This disqualification may take place either on the day of the contest or, if further investigation is necessary, subsequent to the contest, in which case the results of the contest would be amended.
